Instructor Duties under new ACA Risk Management plan

Have Fun, Be Safe.

Do what you have been trained to do:

As ACA Instructors
In Wilderness First Aid
in CPR
in Swiftwater Rescue

Especially:

Supervise your group --- *always.*

Warn and Inform -- *before each new feature or hazard*

Evaluate each person at each step:

before leaving the lake

before hazards and rapids

Use your good judgment -- *is each ppt ready? what are reasonable options?*

Anytime something doesn't seem right:

Get your group out of harm's way.

Ask other instructors

maybe join with another ACC group

Support other ACC groups

Emergency Contacts and medical services

911 for all emergency

notify Liz or Michael all incidents or need for medical service

Handout - 2 per class

Best feedback : Smiles late Sunday afternoon!
