

19 DEVIL AIRE 50

Dedication

Lawyer W. J. Dungan

—For his interest in young people

—For his sympathy with their problems, gained during the years he spent as a teacher

—For his years of service on the school board of Augusta Public Schools

For the assistance he has given many Augusta boys and girls in obtaining an education

We, the 1950 DEVILAIRE staff, gratefully dedicate this, our year-book to Lawyer W. J. DUNGAN.

Mr. Dungan was born at Searcy on November 14, 1885. White County was his home until 1905, when he entered Arkansas College at Batesville. After three years of college work, he taught in and around White County until 1917, when he entered the law department of Washington and Lee University. He received his official license on January 20, 1920, since then he has engaged in the general practice of law here in Augusta.

Mr. Dungan's interest in young folks and his desire to see them go to college stems from his own early hard experiences. Of this interest he says, "I can say truthfully that I got more enjoyment and development out of the years that I spent teaching than any other part of my life. I learned during that time to appreciate the loyalty and friendship of young people and I like to see their growth, both physical and intellectual. It has always been an exciting experience to me to associate with them and help them in any way I can."

OUR ALMA MATER

Let us join in singing praises,
Dear old A. H. S.;
Our beloved Alma Mater
Ranks among the best.
Let's support and pledge allegiance;
Shout this joyous song:
Honor, love, and true devotion
All to her belong.

Words and music by
Mrs. R. L. Taylor

Principal

TO THE STUDENTS AND FACULTY OF A. H. S.:

I appreciate the honor of being the first Principal of Laura Conner High School.

As the students and teachers have a common bond which creates enduring friendships and fosters good citizenship, my work in a new position has been very agreeable.

The fact that each student has an intimate and decisive part in the development and growth of our high school makes me feel proud of my place in it.

The sincere friendliness and eagerness, the warm cheerfulness, and the co-operation of students and faculty have captured my heart and I am grateful that I have the privilege of being your first Principal.
