

DEVILLAIRE

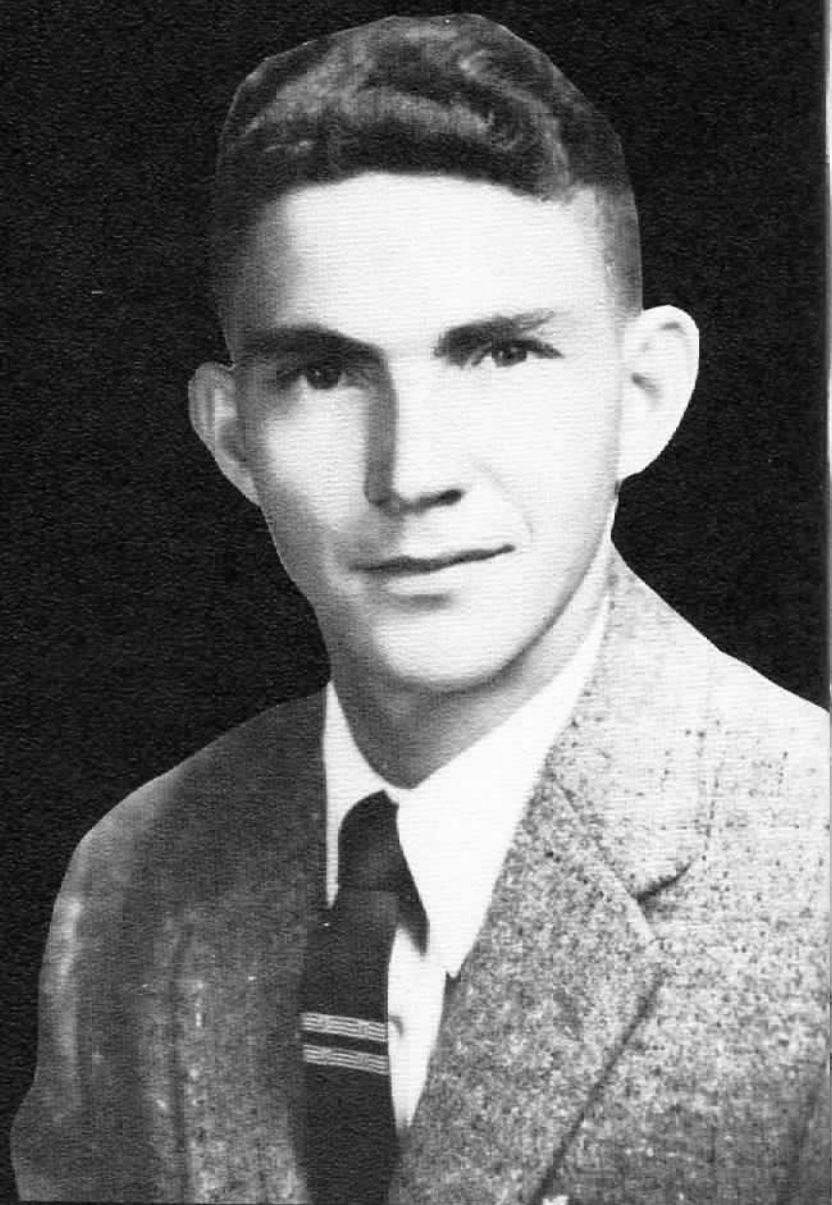

THE DEVILAIRE

FOREWORD

In this, the 1957 Devilaire, we want to present a complete picture of this past school year. We hope these pages will help you to recall all your friends, teachers, and activities of A.H.S. and in the future bring as much happiness to you as it brought us in publishing it.

DEDICATION

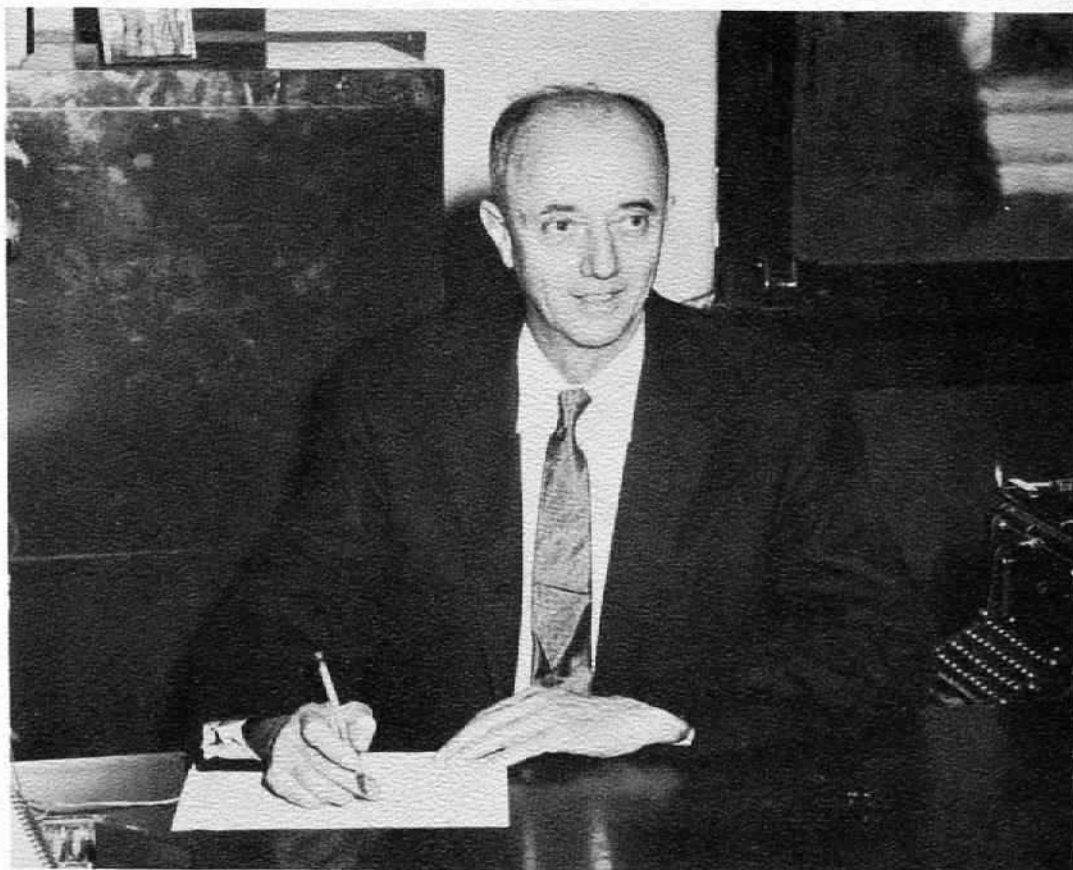

The 1957 Devilaire Staff dedicates the Devilaire to J. E. Grayson, who will remain in our memories much longer than he walked in our halls.

J. E., who died from injuries received in an automobile accident during his senior year in Laura Conner High School, would have graduated with this class of '57.

Our classmate is gone, but his sunny smile and sweet disposition will long be remembered by everyone who knew him.

SUPERINTENDENT

Dear Students:

The leadership, courage, and determination of our youth must be depended on to keep this country free of those who seek to destroy its ideals and democratic way of life.

These qualities do not arise spontaneously in the midst of a people; they emerge because they are developed by surrounding conditions and institutions.

We hope that this school has planted in you these qualities so necessary to the worthwhile citizens and leaders this country needs.

Sincerely,

C. F. Purifoy
C. F. Purifoy
