1964-1965 DEVILAIRE

DEDICATION

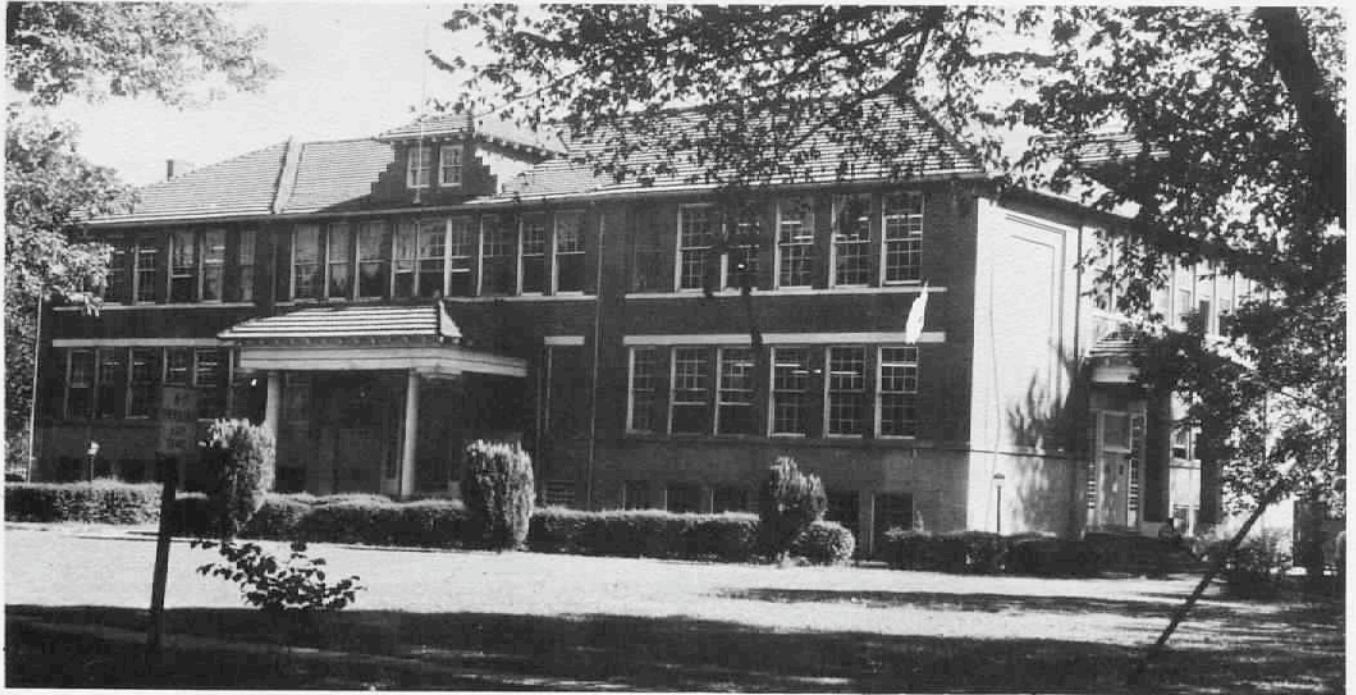

*It has been such a pleasure
to have you in my class, I wish
you every success in the future
H. Taylor*

We, the staff, wish to dedicate the 1965 Devilaire to our teacher and friend, Mrs. Flora Taylor.

As a teacher she has helped and influenced the lives of many girls, preparing them for the life ahead of them. As a friend, well, she is a person who is patient, understanding, and shows sincerity with every student of Laura Conner High School.

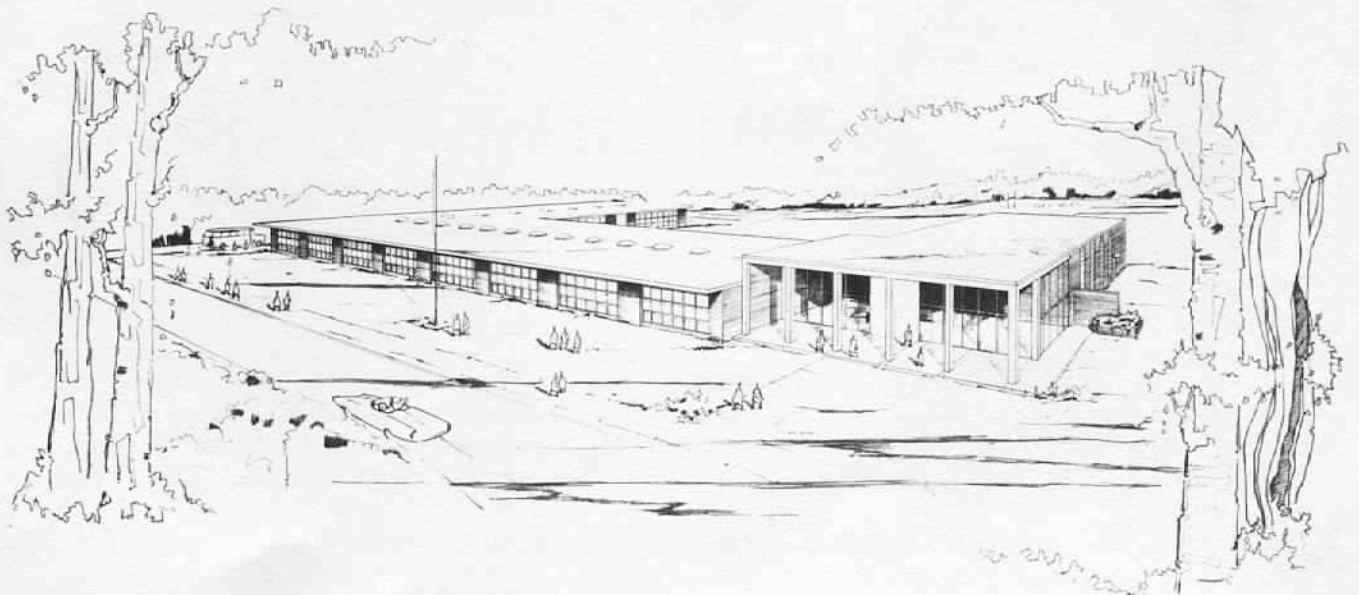

It is with deep appreciation and sincerity we dedicate this annual to her.

TO THE OLD AND NEW

To the old school we say "Good-bye and thank you" for all the memories of the good times we had. We are also grateful for all you have taught us, not only for ourselves but for all who have walked your halls in the past 53 years. We will miss you.

To the new school we say "Hello and welcome." We look forward to all the fun, laughter, tears, and knowledge in store for us and those who will follow us for perhaps another 53 years.

SUPERINTENDENT'S MESSAGE

EDUCATION FOR THE SPACE AGE

Students are living in a new age today. Changes are taking place at an accelerated rate. Many of the things we take for granted today only a few years ago would have seemed to be fantastic. To try to predict what the future holds would be foolish. I believe we would be safe in saying those who are better prepared will be able to adjust to the rapid changes that are sure to come. Your greatest rewards will come in the satisfaction that you have put forth an honest effort in whatever you undertake.

Dear Vicky,

This year has really been great, hasn't it? I almost wish it weren't over yet. I've really enjoyed all things we've done together and I'm going to miss all that next year. You're really a great girl Vicky with a sweet personality, I hope we won't be so far apart next year. That we can't communicate (I transportate to the U.S. & I wish if you get me.) with each other. May you always have the best in life.

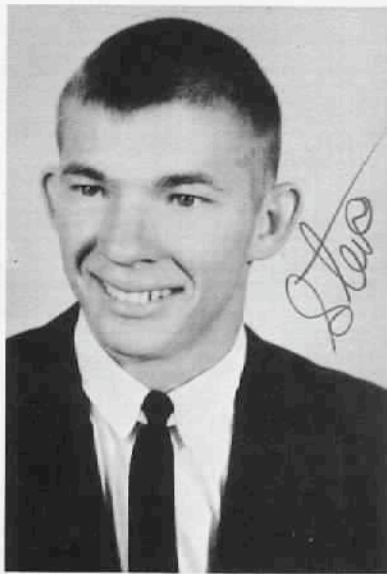

Love always,

Mary Ruth
