

email from William Burns III on Feb 26, 2017

Here are copies of the Xerox or scanned Burns-Knott Bible pages that my mother sent me in the 1980s. The copies I have are not great. I tried to lighten the photos I took of them this afternoon to help them be more legible. There should be a copy of what my mother made copies from in Laurel's house somewhere.

These are large photos. I'll send three now, so that I don't overload someone's email server. I'll send more later in a couple of emails.

Jamie, was this the Bible that Ida had and is now missing? My father probably would have taken photos of those pages in 1964.
