

- River access point
Distances from river access points are shown on the diagram below. Average floating time at "ample floating level" is about two miles per hour.
- Campground
- Drinking water
- Information station
- Public telephone
- Primitive campsite
- Historic site

- Buffalo National River Authorized Area
Private property exists within the authorized area. Please respect owners' rights.
- Wilderness area
- Unpaved road

WARNING
Locally heavy rains cause rivers and streams to rise rapidly. Pick campsites that allow an escape route.
Do not dive or jump into the river. Swim only in clear, calm water and check below the surface for submerged objects.

Location	River access point	River distances
